

29<sup>th</sup> September 2011

Dear Parent/Carer,

Would you like to know more about what your child does in school and how to help them at home?

We are fortunate enough to have been offered the free expertise of Community Adult Learning Services who have offered to run a course of sessions based at school and the services of an on-site crèche if needed. The sessions will cover reading, writing, numeracy and computer skills which you will also have the opportunity to put into practice with your child in school. These sessions aim to be fun and supportive for both you and your child.

Further sessions will include:-

- Internet safety and how parents can keep children safe on social networking sites.
- Back to work help – CV writing, interview techniques employability strategies and a recognised national qualification at the end of the sessions for free!
- **We are running a taster session on Thursday October 20<sup>th</sup> 2011 – time to be advised.**

Please would you return the tear off slip indicating your interest in attending the taster session.

Yours sincerely

Mrs Bailey – Learning Mentor
