

2nd November 2011

Calling all Grandparents!

Our grandparent afternoons have proved to be very popular. We would like to offer the same event to grandparents of Year 2 children, on Wednesday 9th November. The afternoon will start at 1.30 pm in the school hall with a special assembly and then grandparents will return with children back to the classrooms to enjoy class activities.

After this event we would like to encourage grandparents to become involved with their grandchildren's learning by sharing stories or writing to each other to encourage children's Literacy skills to develop. Don't worry if your child's grandparents are unable to attend, we will be sending more information home with every child on how grandparents can work with their grandchildren even if they live far away.

If you would like your child to go home with their grandparent at the end of the day please indicate this on the slip below.

We hope grandparents will enjoy spending some time in school with us!

Yours sincerely,

Mrs D Mooney
Head Teacher
